“ Hello,
I hope the family and her friends get this message. For 24 years, Sylvia and her sister Helen lived across from me and my family. I only just found out about Sylvia's passing; I moved away a few years ago. I am so very sorry to hear of Sylvia's passing. My memory has to do with Sylvia and the neighborhood dogs, particularly the 2 dogs we had during our time as neighbors. Sylvia would buy big boxes of dog treats and whenever a neighborhood dog was out, she would walk over and give them a "biskie" (or several). It got to be that our two dogs would go outside and stare at Sylvia's garage door, willing it to open, so they could get their biskies. If that garage door opened and Sylvia didn't appear with her handful of treats, our dogs would bark and let her know they were waiting. She had probably about 5 seconds before our dogs, rather rudely, reminded her they were waiting. She was such a kind, wonderful lady. Rest in peace, Sylvia.
