“ *Terry was an amazing man who came into our lives in a very unusual way, but made a huge difference in more ways than we can say. He holds a special and everlasting place in our family's hearts and we will never forget him, ever. We love you, Terry, and Mary, and give thanks every day for you both. The world will not be the same without you, but you changed the whole world, and our world, with your compassion, kindness, and love of life, and that will live on forever.*

*With gratitude and love,
Kathy and Greg Bostrom and family*

I'm so sorry to hear about Terry. He was indeed a “standout of a human being”. We were “farm” neighbors and I soon came to realize the love he had for animals and others and just what a truly good person he was. You are in my prayers Mary. ❤️ Jeanne Buhrman
