“ I remember Larry from our childhood. He was such a special man. He often stopped at our house to visit with my Dad (who was always out in the garage or yard). I use to see him at Jewel when I'd come home to visit - and he always knew who I was. He was such a pleasure. My most sincere sympathy to his family.

“ I am sharing the hurt you have in your heart for the loss of Larry. I became friends with Larry in our later years! When I took my mom for years up to Aunt Dees And Larry's every week to play cards, without Larry and I talking it would have been an an awful quite day. Larry was the most sweet, caring man I knew, he knew all the news of Lake Co and the U S. I admit he knew more than me about what was happening in this crazy world. I' sorry I haven't gone to Illinois for the last few years, but my family came to see me do to my illnesses. I will miss Larry very much, he was a sweetheart. I believe he is my last cousin to pass away. I will miss him very much. Love Gayle
