“ *Dear family, I was shocked to hear the sad news and I can only begin to imagine what a shock this must be for you, her close relatives. I do not really know what to say at such a moment. Just a few days before she passed away, I had interactions with Tre on the phone and apart from a little cough she seemed vibrant and full of plans. I wish you a lot of beautiful memories. I am sorry I will not be able to join you in person in her memory but I hope you will accept my sincere condolences via this route. All the best.*

“ While Tre and I were in different departments, we sat near each other for over a year. I will always remember her bringing in her baked treats for 'our little area', sharing her dog pix and talking about Hawks games. She was such a kind and thoughtful person, with nice things to say each time you saw her. She will be missed!

*My thoughts and prayers are with her, and her family.*
