Nancy, amazing to hear from you. This is Susan Evans, dads youngest child. He truly loved his time out there and spoke fondly of it his entire life! Let's connect. My number is 239-784-7550. I would love to carry on the family tradition. Maybe you have a need I can fill. It would be wonderful to meet you and chat. Many thanks for taking the time to comment here. Dad indeed lived a full life! Kindest Regards, Susan

“ I thought I had posted this a couple of weeks ago, but since it isn't showing up here, I'm doing it again.

Tom was my first and my only brother-in-law, and thinking of him always makes me smile. I haven't seen him in a long, long time, but when I see his face in my mind, it is his eyes that I see first.

Whether he was talking about his kids or whether he was looking at them - his eyes were always filled with pride and love. Rest in peace, Tom - because your three children, Todd and Kimberly and Susan have grown into amazing people, and you should be very proud.

*With my love,
Bitsy*
