“ So saddened and shocked to hear of Tracey's passing! Sat in many high school bleachers with her over the years watching our sons wrestle. My sincere condolences to Tom, Tyler, and all her family and friends. Rest easy sweet lady.

“ I am so gutted to hear of Tracey’s passing. I experienced a lot of firsts with her. She was the first one to ‘poof my bangs’ and secured them with copious amounts of Aqua Net. Shawn Nohava told me they ‘looked good’ and for some reason I believed him. We drank Jack Daniels together for the first time from her parents bar and to this day I think of her when I see a bottle of it. After consuming the Jack Daniels, myself, Andrea, Paula, Bobby and probably a Mike or two walked to Paula’s house, and that walk was one of the best times of my life. We were young and free and held the world in the palm of our hands. She had the most infectious smile and laugh. I’m so so saddened that we lost touch in recent years as I’m not in the area. I take responsibility for that and it makes me so sad. We grow up and lose touch with the people that helped shape us...it makes no sense whatsoever, and I can’t stop thinking how easy it would have been to be in each others lives. I will never forget her and that smile. Sending so much love to her family and friends. She was one of the good ones and I promise to be a better friend because of her. Love you Tracey! ❤️❤️❤️
