“ Martha and I have wonderful memories of Val when she and Mike lived in Philly and then New Jersey during the days Mike and I worked at Ciba. Lots of laughter, coffee overload, a few glasses of wine, and great times with getting our kids together. The photowall at the church brought many of those memories back to us, especially her smile and great sense of humor, very dry and witty. We will always remember her as a bright part of our lives during those early years of building our families and careers. At this time of sorrow and loss, we offer our sincere sympathies to Mike and the girls, their families, and all those close to them and Val. - John & Martha Kapeghian

“ After what we know has been a challenging decade-and-a-half for Val and the entire Schlosser family, we hope you are all finding some peace. The grove of trees planted in a forest in need will help bring life to the planet for decades to come as she did during her years with us. With a whole lot of love, Jeff Bergau and Melissa Norrod.
