“ our condolences to Howard and family on the loss of their wife/mother. My husband, Tom, and I started having coffee with Howard and Vivian at Dunkin Donuts in Mundelein, then at McDonald's in Mundelein. I am sure Vivian knew how much Howard loved and took care of her. So sorry about your loss.

“ How do I put so many wonderful memories into a short paragraph or two?? Vivian, my mother-in-law, whom I had known and been part of her family for almost 30 years, was and is a treasure to me in so many ways. She was a beautiful Swedish woman, and although petite, she was a force to be reckoned with when the moment arose. She had her opinions, values and moral standards, which I loved about her and she wasn't afraid to share them. Some of the times together I loved most were: sitting and listening to her play the piano; going for walks around the lake and feeding the geese and birds, wandering through an antique mall and checking out the treasures, gathering with the girls for coffee, hiking the trails and watching our men fish and last but not least Christmas gatherings with the family. I would not be the same person without having had her in my life and I am so much richer for it. I will miss her!
