“ Wayne hired me in 1992 at Libertyville Township and I worked with him until He retired. I never met a better person in my life. We became good friends. He was always there for me when I needed him. I always went to see him when I was in the area. A fond memory I have is the Christmas we invited Wayne to my home and we all had a great meal and then my daughter played a lot of Christmas songs on the piano for him. I will miss you Wayne.
