“ Billy's Dad and my Dad arrived in America on the same ship from Germany in 1923. Our families were considered relatives as we were growing up in Chicago.. Billy's sister Christel and brother Elmar were closer to my sister Ilse and Billy was my buddy. Gertrude was born after his Dad had passed away and I always admired his mother Elizabeth for being able to raise the 4 children as a single parent, which was no easy feat in those days.
