“ There is a quote from Leo Buscaglia that has helped me during a time like this: I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Wishing you and your family peace; to bring comfort and courage to face the days ahead and to the loving memories to forever hold in your hearts.
