“ Not many guys--either back then or now, would step in to take a cousin to her prom at the last moment after she was stood up!! Bill was uniquely one of those very very few who graciously and with manly grace did so. And that's just one of the warm memories I have of my very dear cousin!! For all of those memories he will reside in my heart always. My very profound condolences to Jan and his wonderful kids, grandkids and extended family and friends. He will continue to love you forever. Know that.

“ I have great memories of Bill and Janet when Ryan and Mike were playing baseball, going out to dinner and camping on their lot at Eagle River, WI. We always had such great times together. Please accept our deepest sympathy.
