“ *The memories flow like the St Pauli Girl and Becks at the State Fair where you drove us to the front row in your golf cart for the Willie concerts. We opened our apartment doors and cooked together on Sunday afternoons in Springfield. We always liked to eat---Red Fox steak in Springfield, Italian food in Philly, lobster and country store sandwiches (Camden Inn is still our favorite) in Maine, Times Square deli and frozen hamburger on crazy fishing trips in old boats. We shared a special time in each of our lives. We'll never forget you Billy. Judy and Bill Gunn*
