“ I recall Billy as bro Rich's earliest friends and he was a regular at our home. His height is marked many times on the kitchen door. Had great talks with Bill over the years during family gatherings - as Billy was most welcome to be with us. Keep them laughing, Billy!

“ The Meyer and Odiaga families were next door neighbors and more like family than friends. Bill Senior told me "Joy your Dad and I were best friends" those were wild and fun times! As for dear Billie, though younger we were always good friends. I did invite him to dinner to have black beans and rice. That is black gold and my Mother always sent good size bowl. Billie I will miss you very much!!!! I send my condolences to your kids and and ex wife and of course Julie....Love you....Joy

“ I remember once when I was about 6 or 7, riding my bike down Country Lane when I had the brilliant idea to put my foot into the spokes to see what would happen. As I sat on the curb crying, Billy came running over to me and sat with me and tried to comfort me. He got me up on his back and brought me and my bike home. I think that was the moment that I became smitten with Billy- he was that kind of guy. On behalf of all the Donlans I want to send our heartfelt sympathy to all of the Meyer's, especially his children. Our thoughts are with you. Pat Donlan Zimmermann
