“ I could not have asked for a more loving and compassionate son. Zachary was so kind and thoughtful of others, and for the short time we had him in our lives he was a blessing to us all. I miss him deeply but know that he has gone to be with his grandpa who I asked to look over him until we could all be together again. Love - Dad

“ I am so deeply sorry for your loss. Kevin and Laurie, thank you for allowing me the opportunity to meet your son. For the little time I was able to spend with him, I knew he was a special kid. He has touched my life and heart as I am sure he did to all who were lucky enough to have known him. He has been called, although very difficult to say goodbye, I know he is in a very special place and his spirit lives in your hearts forever. Please know you and your family are in my prayers asking for strength as you try to continue on your journey. He will be missed-All my love and prayers are sent your way.
