“ Zola will always be a bright memory for me. The week we spent together at my mother's home in KY, 1998, was a bittersweet interlude that was to be the only time we had together. From all accounts she was the consummate wife and mother and we shall all miss her infectious persona. While we grieve we will always remember the life that she lived so well for family and friends. Rest in peace dear cousin. And my thanks to her daughters and their families for the great care that they have taken of their dear mother during her declining years. Hats off to you all! With love, Cousin Frank

“ My deepest condolences to Zola's dear family and friends. While I did not personally meet Zola, I knew of her through her granddaughter Shannon, who is one of the best, most kind, most giving, and most loving people in my life. Zola, you are beautiful! May you find peace in Heaven.

“ The words about your mother were so beautiful and I know she was your guiding light..
I am so glad that you were able to be with her as she moved out of her pain and to God's beautiful Heaven...no more pain.
I know from experience that the death of your Mother is going to be so different for you.. You are so much like your mother...she "raised you right" as we say here in the South.
Have a safe journey home...my love to you and Aldo!

“ It was with great sorrow that I heard of the passing of your Mom. I remember her from childhood as a real spunky, down to earth person. Just wanted you all to know she is remembered.
